RACE SUMMARY

MIKANUSHI has trialled okay and she is the one to watch from the exposed trial form. DJERASSI comes off a 6 lengths win in a Coffs Harbour barrier trial and must be included whilst MANDO has an awkward gate but must be respected. CONTENT has had plenty of trial experience. Watch market for best guide.Scott McDonell

RACE SUMMARY

TOUCAN UKELELE comes back in distance to 1600m and from ideal barrier draw he should enjoy all the favours. GRAND BANDITO won with something in hand at Gunnedah last time out and he can go on with it whilst EMCEE ART won at good odds this track last start and no reason he will not be competitive again. Include BE UNIQUE in multiples.Scott McDonell

RACE SUMMARY

SPLITZER came from barrier 11 in maiden company last start and cruised away to win by 6 lengths. He has drawn ideally today and will go close to winning. AJAWAAN disappointed on the heavy last start, if the track is firmer she must be included. KYSPEIL has been consistent this time in and sure to be a factor. VIENNE won well at Grafton last start, he is third-up and will be competitive. Scott McDonell

RACE SUMMARY

WE'VE GOT TONIGHT was a beaten favourite on the heavy track at Newcastle last start, if he gets a firmer surface here he will improve. FREEROCKER has been racing well and back in Class looks a winning chance. RETUNE looks the class runner and despite awkward barrier he must be respected. Another with a horror draw is BETTY ROCKS but she is racing well enough to figure. Scott McDonell

RACE SUMMARY

STRATABAL has been racing well in similar company and although drawn wide he should go close to winning. ART DELAGO has strung together two wins in a row and with advantage of apprentice claim he looks well placed. EMPEROR has been racing in better class than this and dropping back to this level is ready to win. WARP NINE was a winner this track last start and cannot be left out of chances. Scott McDonell
