## TASK TIME ONLINE - PART 3

### QUIZ TIME

Test your knowledge of all things Olympic. Use the information from Part 1 in the newspaper to see how much you understand.

1. How many days did the torch relay travel?
2. How many torch bearers carried the Olympic Torch around the 12 800km relay?
3. How many minutes did Big Ben chime for to herald the start of the Olympic Games?
4. Who lit the cauldron at the Olympic Games Opening Ceremony?
5. Which team came in last during the procession of athletes?
6. In which sport is a shuttlecock used?
7. How many players are there on a water polo team?
8. What type of shoe did Australian athletes wear at the Opening Ceremony?
9. Which company designed and made the Australian team's competition outfits?
10. Who was Australia's flag bearer at the Opening Ceremony?

## COMPETITION CATEGORY

### Badminton

The game of badminton is the fastest racquet sport. There are many different types of basic badminton shots, which are played from different areas of the badminton court. Here are some of the different shots. Can you match the descriptions of the shots with their names?

**SHOT:** Net Lift      Net Kill      Smash      Drive      Push      Clear      Drop Shot

### DESCRIPTION:

hitting the shuttlecock high to the opponent's backcourt. Clear shots are of two types - defensive clear and attacking clear.
hitting the shuttlecock softly into the opponent's forecourt or front midcourt area.
dropping the shuttlecock into the opponent's forecourt, as close to the net as possible.
when the shuttlecock is at the net height, at the side of your body, hitting it with sufficient pace to the opponent's midcourt or backcourt area.
the shuttlecock is aimed steeply towards the floor of the opponent's court, close to the net.
when the shuttlecock comes to you at a high level in the midcourt area, hitting it aggressively towards the opponent's floor, to finish the rally.
playing upwards towards the back of the opponent's court.

# AUSSIE ATHLETES

## On the Inside

There was a secret hidden inside the green Australian Opening ceremony jackets – the names of all 131 Australian gold medalists through history are printed on the inner lining. Choose an Olympic year and find out who the gold medal winners for Australia were at those Olympics.

- 1896 1900 1904 1908 1912 1920 1924 1928 1932 1936 1948 1952 1956 1960  
1964 1968 1972 1976 1980 1984 1988 1992 1996 2000 2004 2008

## Design A Uniform

It is your job to design the Australian team jacket for the next Olympics. As part of your design brief you need to consider the colours, emblems and motifs you will use.

## OPENING PROCESSION ORDER

Led in by the Greek team, all other competing nations enter the stadium in alphabetical order. Put these countries in the order they would appear and identify their national flag.

Iraq – Israel – India – Italy – Indonesia – Ireland – Iran – Independent Olympic Athletes – Ivory Coast - Iceland
