

Unwind

holidays

Spring 2010
Summer 2011

Just a hop, skip & a jump...
to a local drive holiday!

Ballina, Lennox Head, Byron Bay, Mullumbimby, Alstonville

The stunning landscapes of the Northern Rivers combined with the friendliness of its residents makes the region irresistible to visitors.

Whether you want the adventure of exploring many National Parks including the World Heritage listed Mt Warning - the highest mountain in Northern NSW - or sipping fine local coffee in one of the numerous cafes in picturesque villages like Alstonville, there really is something for everyone.

Throughout the region, scenic country roads wind around green farm fields, soft hills and a stretching coastline with bays and rock pools.

Minyon Falls is only one of many fantastic natural

features in the region.

Don't miss the unique feel of the very special Byron Bay and the coastal village Lennox Head is home to one of the world's great surf breaks at the southern end of the Seven Mile Beach: The Point, which is now an Australian Surfing Reserve.

Lennox Head also offers Lake Ainsworth, a natural tea tree lake which is perfect for canoeing and catamarans. Lennox also offers superb dining with its award winning eateries and you might even see a few whales and calves at the Pat Moreton Lookout.

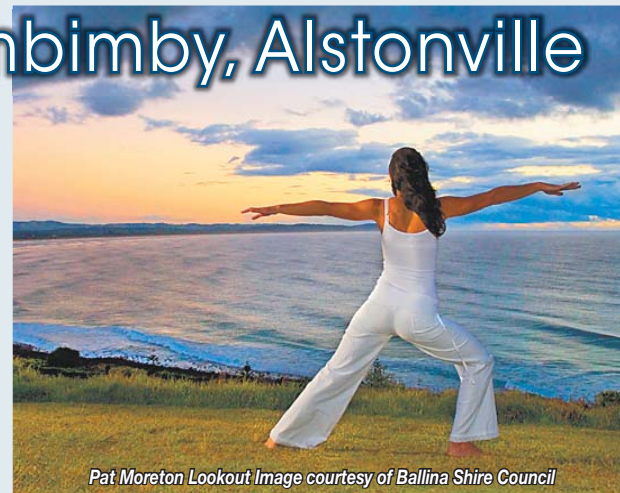

The lush sub-tropical rainforests around Mullumbimby are just part of the attraction to

this eclectic town, known for its artistic residents. Great cafes and shops are part of the town's charm.

Ballina has become one of the region's most popular destinations for both young and old, with great fishing, beaches, restaurants, cafes and shopping.

A myriad of local markets await your exploration as well as regular events such as the annual Billycart Derby in Bangalow and the Lantern Parade in Lismore.

There are also galleries, local landmarks, natural wonders and a whole host of activities that make exploring the Northern Rivers a delight.
