Disclaimer

The food safety rating allocated to a food premise is the result of the most recent food safety audit undertaken by Bundaberg Regional Council ("Council") at the food premise. The score may not be representative of the overall, long-term food hygiene standards of the premise. While every effort is made to ensure the accuracy of the data, Council cannot bear responsibility for any deterioration in standards that may occur between audits. The ratings provided as part of the scheme are intended for information only and do not imply any warranty, guarantee or recommendation by Council concerning a food premise, including but not limited to, the condition, hygiene, quality of food or standard of operation of the food premise. Following a food safety audit, it may take up to 28 business days from the date of the audit for the new rating to appear on Council's website. Council will endeavour to ensure the content on the Eat Safe Bundaberg Region web page is current, accurate and complete however it does not guarantee that it will be. Council will take action, within a reasonable period of time, to correct any error or inaccuracy which is brought to Council's attention. Council expressly disclaims all and any liability to any person or body for any direct or indirect injury, loss or damage incurred by use of, or reliance on, the information provided.
